Think Again.

Every gift makes a difference.

You can make a difference.

If every alumnus contributed just \$50 to the OHSU School of Nursing Excellence Fund Appeal, the school would have an additional:

\$439,000

makes a difference...

Your gift will help:

- Provide scholarships to worthy students...
- Support Ph.D. students with their research expenses....
- Preserve high-quality education...

Private support is more important than it has ever been before. We must rely on Alumni like you to keep high-quality public education affordable for all who desire to learn.

Please help us secure this vital source of funding by sending your donation today!
